

# FACECARE

Wrinkle Smoothing Solution  
FACIAL REJVENATION - SKIN FIRMING

5 x 10 ml

## What is it? FACECARE

FACECARE solution gives intensive, fine line and wrinkle reduction with facial skin firming.

This formula combines the most effective anti-aging ingredients with essential minerals for metabolic skin health and rebalancing.

It is a professional use, sterile, cosmeceutical solution.

## Benefits

- Offers an immediate skin firming effect. It improves skin tone and increases tensile strength of the skin, reducing facial sagging and the appearance of lines and wrinkles.
- Fights free radicals and oxidative stress.
- Stimulates fibroblasts to help restore normal function of the intercellular matrix.
- Skin soothing effect.

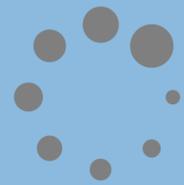

## Active Ingredients

Hyaluronic Acid Cube 3, DMAE, Mannitol, Organic Silanol, Snap 8 and Leuphasyl peptides, Thiamine (Vit B1), Vitamin-E, Zinc Gluconate and Magnesium Sulphate.

Hyaluronic Acid Cube 3® offers enhanced efficacy compared to regular hyaluronans and acts to restore normal function of the inter-cellular matrix.

Combined with DMAE - the 'instant face lift' ingredient, Organic Silanol - the regenerative mineral, and Snap 8 and Leuphasyl peptides which relax muscular expression lines.

Thiamine (Vit B1), Vitamin-E, Zinc Gluconate and Magnesium Sulphate enhance key nutritional and metabolic process with antioxidant properties.

## Transdermal Therapy

Designed to penetrate the skin with different methods of application.

- Topical application with simple rubbing.
- Topical application during massage.
- Virtual mesotherapy, E.g. iontophoresis, electroporation, ultrasound, etc.
- Collagen Induction Therapy (CIT) E.g. Skin needling, Dermapen, etc.

## Protocol

Using the transdermal therapy technique chosen by the professional, apply 5-10ml of the solution.

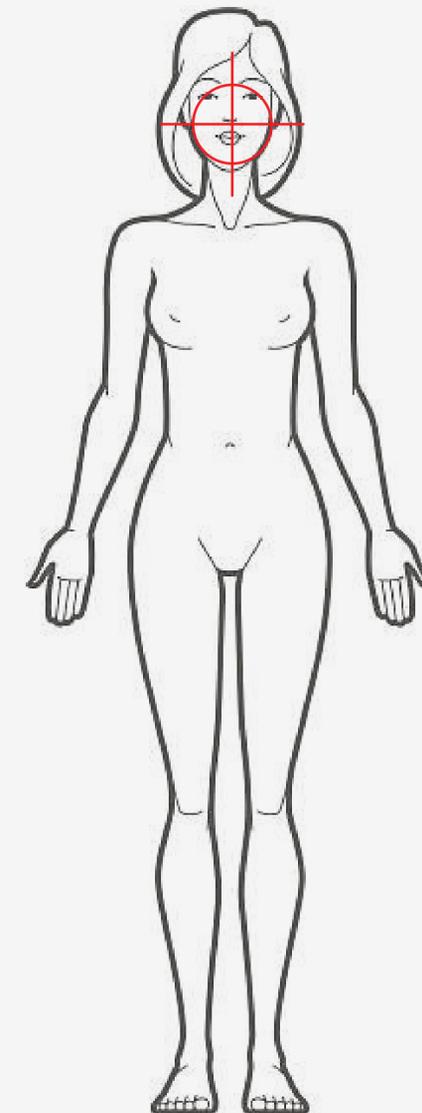

Treat with one session, every 7 days, for 10 sessions, depending on the progress of results.

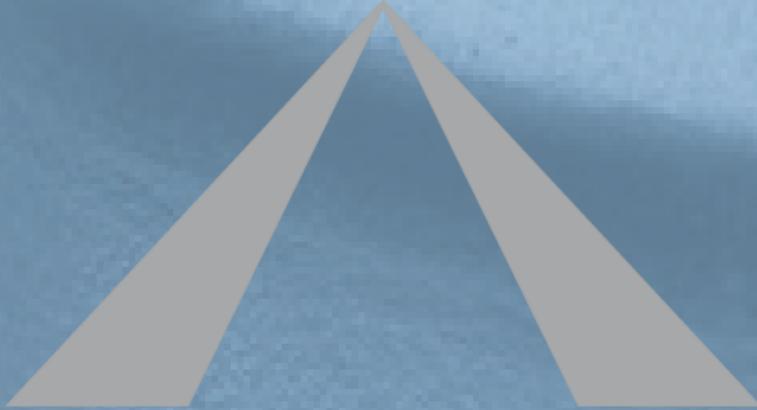

Repeat as required to achieve treatment objectives and then maintenance treatments every 3-6 months.

## Areas of application

Face.
